## President's Message

Hello Orchid Lovers,

Our February 11 meeting is a time of celebration and saying "farewell but not goodbye" to long-time DBOS members Vince and Debbie Dicks, who will be splitting their time between Indiana and Florida. Several of our members will also be showing you their techniques for mounting and potting orchids. It is always fun and educational to learn from one another. We have numerous lovely orchids, pots, and mounts that we will be using during the meeting and the finished products will be our raffle table. We will also have sign-up sheets for new DBOS shirts. If you are unable to attend the meeting and want a shirt(s), please contact Kristina Brandt at [kristina@shbrandt.com](mailto:kristina@shbrandt.com).

Mark your calendars for upcoming events. The Boca Raton Orchid Society Show is February 8-9 at the Safe Schools Institute in Boca Raton. The DBOS 7th annual Orchid Auction is Tuesday, March 10 at the Woman's Club of Deerfield Beach. We will have dozens of beautiful orchids, pots, mounts, and a variety of other items for you to bid on. If you have any thing you would like to contribute to the auction, please bring it to the February 11 meeting or contact one of the board members about getting the item(s). The annual DBOS members' potluck picnic is Sunday, March 22 at 11:00 at Tradewinds Park, 3600 W. Sample Road, Coconut Creek, FL 33073. There will be a sign-up sheet at the February and March meetings. If you are unable to attend the meeting(s) and want to attend the picnic, please email Dennis Pearl at [timelessobjects@aol.com](mailto:timelessobjects@aol.com). We will have our popular rousing games of Bingo where you can win orchids, drawings for orchids, food, fun, and lively conversation. April 4-5 we will have a booth at the Bonnet House 13th Annual International Orchid & Garden Festival. This will be a special event because it is the 100th anniversary of Bonnet House. Plan to attend and visit the large variety of orchid and plant nurseries who are participating. Our DBOS members' annual home ramble is Saturday, April 18. Five of our members will be sharing their gardens and landscaping ideas with our DBOS members.

February is not yet spring in South Florida, and there may still be a few cold nights ahead so do not let down your guard. The days are lengthening, bringing some extra hours of sunshine, and waking your orchids up from their winter's rest. We may encounter wide swings of day-to-night temperatures, and this will be ideal for your spiking ascocendas and vandas. We have already been experiencing some fog and heavy morning dews. Unfortunately, this helps snails and slugs find a path to our orchids. I have noticed some holes in my Phalaenopsis and ground orchid leaves, which these critters seem to enjoy as a meal. Time to grab the snail bait and apply it lightly by scattering the pellets every few feet frequently for 7 to 10 days. Just like in January, your orchids need less frequent and lighter applications of fertilizer. If you notice reddening of the foliage, consider applying Epsom salts (1Tbsp. per gallon of water). Be sure to water in the morning so that all the plant surfaces have a chance to dry during the day. Many cattleyas and other sympodial orchids have bloomed and are now starting new growth. This is typically an excellent time for repotting them, and it is quite pleasant to be outside doing it at this time of year with the cooler temperatures and lower humidity. If you get started on your cattleyas now, it will allow ample time for the other spring chores next month. I have recently purchased some inexpensive clay pots and diamond drill bits to attempt to create my own pot designs. Should be interesting!

Warm regards,

**Cheryl Babcock**  
DBOS President
