President's Message

Hi Orchid Lovers,

Are you eagerly anticipating what orchid (s) to add to your collection at our **upcoming 10th Annual Show & Sale, Orchid Obsession, Saturday and Sunday, Nov. 12-13, 2022, from 10:00 am – 5:00 pm both days at the Safe Schools Institute, 1790 Spanish River Blvd., Boca Raton, FL 33431?** Tickets for the show are \$5.00. Contact one of our members or go to Green Barn in Delray and purchase presale tickets for \$3.00. Children under 12 free and free parking.

Orchids have a reputation for being symbols of fertility and elegance, however, did you know that different colored orchids have a diverse range of symbolism? According to FTD, if you are thinking about purchasing an orchid for a gift, white orchids symbolize innocence, purity, as well as elegance and reverence. Pink orchids symbolize femininity, grace, and joy. Yellow orchids symbolize friendship and new beginnings, and they make a great gift for a friend to celebrate an accomplishment. Purple orchids symbolize royalty and admiration and are traditionally given as a sign of respect. Orange orchids symbolize pride, enthusiasm, and boldness. At the show gift yourself a beautiful orchid (s) and get whatever makes you happy or your favorite color!

Each DBOS paid member received five pre-sale tickets to sell for \$3.00/each or to give to their acquaintances and encourage them to attend the show. Although you can return the tickets if you don't use them, consider donating to the society and pay for the tickets you don't sell/give away. At the show, put the stubs in the hat box on the Membership Table and see if you win the lovely orchid door prize, which all ticket holders have an opportunity to win. Also, we would certainly welcome your volunteer help for both days of the show and for set-up beginning at 8:30 am on Friday, Nov. 11.

Add to your collection from our amazing vendors: Bredren Orchids, Jim-N-I Orchids, Krull Smith Orchids, Mac's Orchids, Odom's Orchids, Orchids in Bloom, Quest Orchids, Ritter Tropic 1 Orchids, Smiley Orchids & Greenery, So Orchids, and Soroa Orchids. Additionally, buy from Atziana Inspired, Bactra Plant Stand Factory, Green Barn Orchid Supplies, and Liquid Gold Honey.

SIGN-UP for the annual DBOS Holiday party, Saturday, December 3, at the Croatian American Social Club, 849 Southeast 8th Avenue, Deerfield Beach, FL, beginning at 6:00 pm. Free to members and \$10.00 for guests. Let us know what dish/dishes you will be bringing to share at our festive potluck dinner. Members only get a beautiful FREE orchid!

SIGN-UP for our Saturday, January 28, 2023, bus trip to the Redlands and enjoy visits at five orchid nurseries. As you know, gasoline, food, and many items have increased dramatically since our last bus trip in 2019, and the cost of the bus alone has gone up by about 60 percent. Although we would love to keep the same price as it was pre-pandemic, the cost per person is \$85.00 and includes a light breakfast, catered lunch, Happy Hour and snacks, pleasant ride without the hassle of driving, the bus driver's gratuity, and our famous orchid raffle. We would love to have you join us on this always fun adventure!

SIGN-UP for a new DBOS polo shirt and a new t-shirt design featuring our 2023 art. Samples of the fabrics and sizes of both the polo shirt and the t-shirt are available. Each comes in both Women's and Men's sizes including XS, S, M, L, XL, 2XL, and 3XL.

SIGN-UP sheets for the holiday party, the bus trip, and the new polo shirts and t-shirts will be at the November 8 meeting and at the Orchid Obsession show and sale on the Membership Table in the lobby. If you are unable to attend these events and/or have questions about the Orchid Obsession show or are calling to volunteer to work it, please call Cheryl at 954-464-8996 or email at babcockc@nova.edu or Kristina at 954-661-7261 or email at kristina@shbrandt.com

We had a wonderful time at the annual picnic in October. Also, thanks to our October 11 speaker, Ramnarine John Budree, who discussed Paphiopedilums. John brought beautiful orchids for the raffle table and for sale! Looking forward to John Romano's presentation at the November 8 meeting.

Happy Orchiding!
Cheryl Babcock

Speaker of the Month

John Romano

November 8, 2022 7:30 pm

“Genus Dendrobium”

John has been a licensed healthcare provider since 1986 specializing in pain management and sports therapy. He also teaches healthcare modalities in schools and colleges as well as continuing education for other licensed healthcare providers and is an international lecturer, most recently presenting at the International Pain Management Symposium in the Virgin Islands in 2019. He won Fort Lauderdale’s Best Of for Healthcare providers in 2020, 2021, and 2022.

John started growing orchids in 1977 at the age of 11. He worked at Waterloo Gardens, Inc., in Exton, PA, and Gilberties Garden Center in Delaware County, PA, as tropical plant expert and orchid manager and purchaser. In 2002, he got hired at JEM Orchids in Delray as their grower and worked there until 2005.

John specializes in Sobralias, Dendrobiums, Catasetinae, and unusual species. In 2014, a new species of Sobralia which was discovered in Guatemala was named after him, *Sobralia romanoi*.

John is a member of FOG and Newbie FOG groups on Facebook; runs the Sobralia and Brasolia group, the Dendrobium Species group on Facebook as well as runs the corresponding website www.dendrobiumspecies.com, has the Let’s Talk Orchids group and hosts the YouTube show by the same name and is co-owner of J & J Unique Orchids with his business partner John Melecio. Their group on Facebook is J&J Unique Orchids and their Instagram account is [unique_orchids](https://www.instagram.com/unique_orchids).

He has had several orchids awarded and is currently in the AOS judging program.

Bulletin Board

DBOS holds monthly in-person meetings.

We look forward to seeing more of our members at our upcoming meetings. Remember, we meet the second Tuesday of the month at 7:30 pm at the Woman's Club of Deerfield Beach, 910 E. Hillsboro Blvd., Deerfield Beach FL 33441.

Please check your email for information pertaining to our social events for 2022. Announcements will be sent to you as information is available. If you have a question, send it to deerfieldorchids@gmail.com and someone will get back to you.

November Climate Data

Average high: 81.2°F

Average low: 67.5°F

Average mean: 74.4°F

Average rainfall: 3.43"

November in Your Orchid Collection

By Dr. Martin Motes

In November we can no longer afford to be dominated by the illusion, so easy here at the northern edge of the tropics, that summer will never end. Although Indian Summer persists for the whole winter in South Florida, November is the month to prepare our plants for those short sharp blasts of cold which are inevitably coming as each successive cold front pushes the overall temperature a little lower and a little lower. Each day is shorter too. The loss of daylight savings time should awake us to the fact that there are less hours of sunlight to save our plants from the chill of the night. Many genera are already anticipating this sea change and have completed their growths for the season. Some like *Catasetum*, *Cycnoches*, *Calanthe* and the *nobile* dendrobiums are even beginning to shed their foliage in preparation for the cool, dry season. While the Himalayan Dendrobium species of the *nobile* and *Callista* types, calanthes, cymbidiums and a few others, actually relish temperatures down to near freezing, and most cattleyas and Oncidium alliance species and hybrids are not bothered by temperatures in the mid-thirties, the majority of the genera which we grow, vandas, evergreen dendrobiums, *Phalaenopsis* and others, benefit from being protected from the cold. Now, while the first breathes of cool air remind us that more and stronger cold is in the offing, is the time to start thinking about protecting our plants.

In nature nearly all the tender tropical epiphytic orchids native to South Florida are found nestled in the bosom of deep hammocks where they are well protected from the wind. This observation leads us to think of protecting our orchids from the north and northwest winds. Creating or utilizing already existing wind breaks to the north and west of our orchids will limit the ability of the wind to steal the warmth out of our plants. The critical factor is not the low temperature that the air reaches but rather the temperature to which the plant tissue is chilled and for how long. This is why limiting the movement of cold air over our plants is essential. In still air, plant tissue (mostly water but with some dissolved salts) retains heat for a long time and is aided by the plants' metabolism. The very goings on of life generate heat, therefore considerable exposure to still air is needed to chill a plant to the temperature of the surrounding environment. Not so if wind enters the picture. Wind can quickly rob the plant's surfaces of heat, chilling the plants tissue deeper and deeper. When the plant's temperature tolerance is reached, at best growth ceases or worse yet damage ensues. Slowing the cooling process and limiting the hours of exposure to sub-optimal temperature is the best gift we can give our plants for the holidays.

Protecting our tender plants from exposure to wind must be our primary concern in preparing them for winter. Buildings, walls and even thick hedges can be very effective windbreaks slowing or stopping chill air. Choose places in your garden that offer this sort of protection to your orchid plants wherever possible. The geography of Florida plays into the equation as well. Because the Florida peninsular juts decidedly to the Southeast (Naples is due south of Jacksonville), protection from the Northwest wind is even more crucial than protection from the North wind on the east coast of Florida. Northwest winds are blowing out of the cold heart of the landmass while true North winds have in most locales usually blown over more warm water and less cold land. Regardless of the degree of north, safeguarding our collections

Renew Your DBOS Membership for 2022

We thank our members for continuing to support DBOS. The DBOS Board of Trustees has lined up many wonderful activities for the remainder of the year including our show and sale, and holiday party. We always hold our monthly meetings the second Tuesday of the month at 7:30 pm at the Woman's Club of Deerfield Beach, except for December when our annual holiday party replaces our meeting. DBOS paid members for 2022 will receive a beautiful FREE orchid if they attend the December 3, 2022, holiday party.

We kicked off the 2022 membership drive at the November 13-14, 2021, DBOS 9th Annual Show and Sale, Orchid Obsession, and welcomed 19 new members into the Society. These new members were invited to join us at the December 4, 2021, holiday party; the ninth annual auction on Tuesday, March 8 where they had the opportunity to bid on some lovely orchids to jump start or add to their collections; and the Annual Home Ramble on April 2nd where we visit members' homes to view their collections and have breakfast, lunch, munchies, and lively conversations.

Why not save back \$20 (individual) or \$30 (couple) to renew your membership knowing that you will receive a lovely free orchid at the 2023 Holiday Party (always held on the first Saturday of December). RENEW your 2023 membership at the Orchid Obsession show on November 12-13 at the Membership Table in the lobby. We have a lot of fun at our monthly meetings and learn from our speakers and from each other.

Our dues structure has not increased. If you want to pay by credit card, please call Linda Woodhouse, our Membership Chair, at 954-234-4623, or send a check to Deerfield Beach Orchid Society, PO Box 732, Deerfield Beach, FL 33441. Renewals are \$20/single membership and \$30/couple membership per year.

Membership Renewals
\$20.00/year Individual
\$30.00/year Couples
\$5.00/year Junior Membership

New Members
\$25.00/year Individual
\$35.00/year Couples
\$10.00/year Junior Membership

MEMBERS' PLANTS

DBOS members, please send images of some of your favorite orchids at any time to deerfieldorchids@gmail.com so we can share them with our membership. Mother Nature doesn't always allow some of our beautiful 'orchid babies' to bloom at the right time for our monthly meetings. We enjoy seeing your blooming orchids in the newsletter as well as in person on our members' table at the monthly meeting. We often see orchids that we put on our list of orchids to add to our collections. If we get enough of our members to submit photos each month, we can have a virtual orchid display. Please also continue to bring in your blooming orchids to our member's table for judging at our monthly meetings.

Become a Member of the Deerfield Beach Orchid Society!

Win FREE Raffle Tickets for You and Your Guest(s) !!

The chances of you winning a stunning orchid or other enticing items off our monthly raffle table are much greater than your chances of winning the lottery. We all like the opportunity to win a new orchid for our collection so why not bring a guest to our next meeting? Guests are welcome at all of our meetings and events. Your guest(s) will each receive five FREE raffle tickets. After a guest visits the monthly meetings twice and wants to continue attending meetings, we respectfully ask them to become a member and pay the annual dues.

BONUS: If your guest joins the Deerfield Beach Orchid Society, you will receive 10 FREE raffle tickets!

Top Reasons to Join the Deerfield Beach Orchid Society

DBOS members have access to our orchid library, insightful and informative web pages, opportunities to purchase plants from our speakers, tips from our members, and the following benefits and activities:

Monthly Events

- AOS & DBOS Member Prize Drawings
- Guest Speakers
- Judging/Awarding of Ribbons for Members' Orchids
- Newsletter
- Orchid Raffles
- Plant Sales

Annual Events

- Auction
- Bus Trip to Orchid Growers
- Holiday Party
- Home Orchid Ramble
- Orchid Obsession, Show & Sale
- Picnic

For further information on how to join the Deerfield Beach Orchid Society (DBOS), please contact Linda Woodhouse, DBOS Membership Chair, at deerfieldorchids@gmail.com or call 954-234-4623

JUST A REMINDER: Use of the membership roster is limited to the Deerfield Beach Orchid Society, American Orchid Society and affiliated society news dissemination only. Use of the roster for commercial purposes is prohibited and is cause for cancellation of membership for misuse.
