Hi all!

Our February 14th meeting will be featuring Craig Morell as our guest speaker. With Craig we can always be assured of an informative and downright humorous presentation. In observance of Valentines day we will also be having a special raffle for our members for an orchid arrangement.

Looking forward to March we will be having our annual auction. We have a growing pile of orchids, artwork and other assorted orchid related accessories on hand and hope to amass even more by auction time. We are open to donations from members hoping to downsize or to rid themselves of those extra pots, materials, etc that are in the way. Make sure all donations are clean and disease free as we don't want to contaminate anyone's collection. Contact any board member if you need additional information.

It's my understanding that all spots are filled for the upcoming home ramble but we will be passing around sign-up sheets for the April 23rd Picnic which is another don't miss event.

And finally, congratulations to our design team, volunteers and plant suppliers for our exhibit in the Ft Lauderdale Show.. Although we didn't take home the 1st place prize we sure drew a lot of admiration. Nice job everyone, you make your club proud!!

Hope to see you all on the 14th and as always, bring a friend...Vince
